The background features a dark, textured surface with vibrant, expressive brushstrokes in shades of red, orange, and blue. In the upper right corner, there is a stylized, dark silhouette of a person in a dynamic pose, possibly a dancer or athlete. In the lower left corner, another stylized figure is visible, appearing to be in motion. The overall aesthetic is artistic and energetic.

## A MESSAGE FROM THE FOUNDER

Wow, what an incredible journey we have been on over the last 3 years. Having successfully conducted 3 editions of the Club World Series, I am overwhelmed by the support that has been given to this competition.

Every year the participation has been growing, and the numbers speak for themselves. We have pushed the boundaries in Indoor Cricket and we will continue doing so.

As we enter our 4th year, it gives me immense pleasure to announce that we will host the Club World Series in South Africa. Not only is the competition moving to its 3rd country, after UAE and Sri Lanka, but this time, we will run this competition across 2 U-Pro centres; U-Pro Atterbury & U-Pro Centurion.

Under the able guidance of U-Pro Managing Partner in South Africa, Ray Lourens, we are well-equipped to run yet another professional event.

I invite all teams from all over the world to join us and enjoy the opportunity to meet new friends.

## **A WARM WELCOME FROM HIRAN DE MEL**

I am pleased to yet again support the Club World Series in its endeavour to grow Indoor Cricket. Since Year 1, a visible increase in the competition, and adding the Women's Tier has proved the need of such a concept.

I have been part of all 3 editions, and I can say that players and benefited from the opportunities, particularly the lower tier teams who get to play in a World Class event.

I encourage clubs and teams to take advantage of this opportunity to travel to South Africa. Not only are they great hosts, but the country has so much natural beauty to enjoy.

I look forward to being around you all in Pretoria, South Africa

## THOUGHTS FROM MATT HENDERSON

It started on a rooftop bar in Dubai—two mates wrestling with the question: how do we grow the game we love?

That night, the Club World Series was born.

From day one, the word World mattered. This was never just about indoor cricket. It was about cultures colliding, players stepping outside their comfort zone, and bringing back the spark our game needed after the grind of COVID.

The Series found its feet in Asia. Now it takes its biggest leap yet—onto a new continent. South Africa. A place of fierce cricket, warm people, and memories that last a lifetime.

This year, players and clubs from across the globe will land in Africa to battle, connect, and celebrate the game together.

The game's growing. The energy's rising. The world is watching.

Let's go.
